www.westmorelandtransit.com

Complete the forms in their entirety and make sure that all required signatures are obtained. When complete, return it to GO Westmoreland.

Completed applications should be returned to GO Westmoreland. All applications are logged in a spreadsheet upon receipt by a GO Westmoreland representative. The date the application is received is included in the spreadsheet. An independent consultant pre-schedules visits to review applications. The consultant is on-site at GO Westmoreland at least twice a month to review and make recommendations to GO Westmoreland on eligibility. The Paratransit Service Manager schedules the on-site visits with the consultant to make timely eligibility decisions. It may take up to 21 days for an application to be reviewed by the consultant and for a decision to be made on eligibility by a GO Westmoreland representative. By tracking the day the application was received, this allows for timely decision making within 21 days. If an application is not processed within 21 days, the applicant will be given presumptive eligibility on the 22nd day until eligibility determination is made.

After the eligibility determination has been made, you will be contacted with the results via US Mail.

If an applicant wishes to appeal the decision of GO Westmoreland regarding ineligibility, they should file a written appeal within thirty (30) days after the determination of ineligibility. An appeal hearing will be scheduled within thirty (30) days of receiving an appeal and all parties will be notified in writing of such hearing. The Appeals Officer will be the Executive Director.

Transportation will not be provided by GO Westmoreland during the appeal process. The individual making the appeal will become temporarily eligible for service if a decision has not been made within thirty (30) days of the completion of the appeals process. Reservations for these trips are to be made according to the normal procedures. Eligibility will end if the appeal is denied.
